

Greetings from Rotary!

Welcome to the **52nd** annual Quinte Rotary Music Festival, being held April 4-8, **2022**. We are very much looking forward to your participation and the continued success of this long-standing event.

A partnership between the Rotary Clubs of Belleville, Trenton and Quinte Sunrise makes it possible for this festival to move forward each year. We are proud of this opportunity to create a platform to showcase the musical talents of the youth in our community.

The passion, dedication and commitment of the participants are clearly evident in the excellence of their performance. It is most encouraging to see the active participation each year of the students and their families. It is a testimony to the importance of music in the lives of our young people. It is their interest and involvement that makes for the continued success of this festival.

We have developed a website that will allow participants to register and pay online. A “Hall of Fame” page will highlight the accomplishments of our young people and will be accessible worldwide for the benefit of the family outside the community. We encourage you to visit the site at www.quinterotarymusicfestival.com

Participants and music teachers are requested to note the changes in the rules and the deadline date (**February 28, 2022**) for registration this year.

We look forward to seeing you at this year’s festival.

Sincerely yours,

GOLD AWARD: (85 - 100% mark) – Outstanding - This standard represents excellence in all facets of the performance. It is very accurate and secure with excellent sound, balance and blend; excellent intonation; very good attention to articulation, dynamics, tempo; and an excellent approach to style and interpretation. *All entries receiving a mark of 85% or higher will receive a gold seal.* The adjudicator's comment sheet will include the actual mark awarded.

SILVER AWARD: (80-84%) – Very Good - This standard represents a very high level of performance. There may be some minor issues with notes and rhythms but the ensemble has achieved a very good band/choir sound and much success with balance, blend and intonation. There may be attention given to dynamics, tempo, articulation and style but certainly with room for improvement. *All entries receiving a mark between 80 and 84% will receive a silver seal.* The adjudicator’s comment sheet will include the actual mark awarded.

RED AWARD: (Below 80%) – Satisfactory – This standard represents an average performance where there may be significant issues with notes and rhythms; and weaknesses with other facets are more pronounced. There may be more attention needed to dynamics, style or expression. *All entries receiving a mark below 80% will receive a bronze seal.* The adjudicator’s comment sheet will include the actual mark awarded.
